Habitat® Odor Free Press Wash

Let's face it, smelling like a pressroom doesn't go over well at home or anywhere else. Don't leave your job smelling like YOU just came off the press; switch to Habitat's Odor Free Press Wash. With all of those pungent chemical odors of normal press washes missing, you will actually smell like a human and not the Toxic Avenger.

Habitat Odor Free Press Wash Product Use:

Habitat Odor Free Press Wash is designed to work with conventional UV, co-cure EB & heat set inks. Designed for use in automatic blanket and roller wash systems and for use with all hand cleaning of blankets and manual ink roller train wash ups. When washing rollers, follow-up with a final rinse of water. Do not mix this product with solvents or soaps.
